

Dear friends

writing this letter to you. I hope
you are fine there. I and my family
are good here.

The weather here is very hot and
sometime it rains and windy.

I was studying in GNM IIIrd
year and my Exams were finished
in the month of January. 17th started
and ended with the 22 Jan and
result was come in Exam I was
passed. This is last year of my
nursing education.

As a important corona disease
and lockdown a mand in country
is needed and used covid-19 and
the college, schools, are re-opened
and now there is no lockdown I was
very happy, and will be given school
materials a fee by B.P.K.S. I
thank you very much for supporting
my education.

As we shall be celebrating
Easter soon here I come to wish
you happy Easter.

Your loving
Sozina Fernandez
